*Student | Video Editor*

## About Me

I am Ishaan Goyal, currently a student with a strong passion for video editing and content creation. I work professionally as a video editor, handling both long-form and short-form edits for YouTube and other digital platforms. I focus on clean storytelling, engaging pacing, and platform-optimized edits.

## Professional Skills

- Long-form YouTube Video Editing
- Short-form Content Editing (Reels, Shorts, TikTok)
- Content Optimization for Social Media Platforms
- Story-based and Retention-focused Editing

## Team & Services

Along with my personal work, I manage a creative team that provides complete digital content solutions, including:

- Copywriting
- Script Writing
- Social Media Management
- Thumbnail Designing

## Work Ethic

I believe in consistency, quality delivery, and long-term collaboration. My goal is to help creators and brands grow through visually engaging and strategically edited content.
